

# Tuesday's Children: Career Resource Center

Tuesday's Children provides a lifetime of healing for families who have been forever changed by terrorism, military conflict or mass violence.

## ABOUT OUR CAREER RESOURCE CENTER

Tuesday's Children's Career Resource Center organizes a diverse array of workshops and offers a Career Mentorship Program in order to provide young individuals with various opportunities to develop professionally.

## FOR YOUTH

Tuesday's Children programs, such as Take Our Children to Work Day, Career Shadow Days and College Guidance Workshops, enable our youth to broaden their horizons and gain a better understanding of career options that are available to them. In partnership with a variety of organizations, we provide young individuals with a firsthand look into different industries and functions to cultivate their future careers.

**"As a recent college graduate who has been struggling with my job search, the Career Resource Center has been extremely helpful. It has provided me with a lot of good information and empowered me to keep going!"**

## FOR YOUNG ADULTS & PROFESSIONALS

Tuesday's Children, in collaboration with top tier corporate partners, offers virtual and in-person career advancement programming for college students and young professionals. More specifically, we organize valuable workshops pertaining to topics such as resume building, personal branding, interview prep and career presentations, as well as networking opportunities with well-know organizations such as Tradeweb, Morgan Stanley, KPMG, NFL and LinkedIn.

## CAREER MENTORSHIP PROGRAM (for 18+)

In 2017, we expanded upon the Career Resource Center by launching our Career Mentorship Program. Career Mentors volunteer their time to provide professional guidance to our Career Mentees, the teens and young adults in our community. Our Career Mentors are committed to working with their mentees to answer questions pertaining to career development, review resumes and cover letters, conduct mock interviews, assist with networking, etc.
